Regard

Fine Wood Cleaner Polish & Conditioner

Nuvite Regard is the finest and gentlest nutrient oil cleaner and fine wood conditioner available. The rich, finely-refined oils rejuvenate dried wood finishes and enrich the surface to reflect the finish, natural or applied.

Non-abrasive and effective as a cleaner of soil and dirt accumulation, Regard can also be used to help restore minor surface imperfections and maintain the reflectance on high gloss finishes, including polyurethanes, varnish, shellac and even laminates. In addition, it leaves a protective surface to resist hand oil, high humidity or overdryness. Easy wipe on, rub in and polish off application.

Regard

- Cleans and rejuvenates natural or finished wood, laminates, and plastics - including high gloss polyurethane finishes
- Feeds and protects wood and wood finishes by replacing nutrient oils
- Gentle, effective cleaning and leaves a rich, pleasant aroma
- Safe to plastics, rubber and all metals
- Completely biodegradable
- Non-flammable and non-corrosive to all metals
- Safe and pleasant for users and the environment
- Supplied ready to use
- Extreme economy of use

Regard

Availability:

Pint, Quart, 1 & 5 Gallon or 55 Gallon Drums

Effect on Aircraft Materials:

Nuvite Regard conforms to the requirements of

- Douglas CSD #1 • Boeing D6-17487 •

for safety to bare and clad 2024, 7075, 2524 aluminum, cadmium plated steel, mild steel, high-strength steel, Plexiglas, and paint.

Health and Safety:

Nuvite Regard is not environmentally restricted. Users should use standard safety precautions, such as wearing gloves and eye protection along with any other standard safety procedures. Refer to Material Safety Data Sheet for further information.

Directions For Use:

Directions: For heavily soiled areas, Nuvite C-49 may be useful prior to use of Regard. Apply regard with smooth cotton pad folded into quarters (T-shirt material –terry towels may cause streaking). Rub into surface. Extremely dry natural woods may benefit from additional applications. When surface shows rich natural glow, leave on the surface for a few minutes, then hand buff with clean dry terry towel.

High Gloss Finished Wood: Apply Regard as above, rubbing into scratched or damaged areas as much as possible to help restore the finish shine. Allow to dry for a short time, then buff back to high gloss with clean dry terry towel. Always use good ventilation, with eye and skin protection, especially when working beneath surfaces being cleaned. Refer to MSDS for health & safety information. Contact Nuvite representatives for further information and assistance.

When using Nuvite materials, please refer to the appropriate procedures and recommendations for use and equipment, or consult with your Nuvite representatives.
